Your child will learn many new concepts and skills over the course of the school year. In Texas, all public schools use the Texas Essential Knowledge and Skills (TEKS) as the basis for what they teach students. TEKS are provided for kindergarten in the following content areas:

- English Language Arts & Reading •
- Spanish Language arts & Reading
- Mathematics
- Science

TEKS for Mathematics

K(2) Number and operations. The student applies mathematical process standards to understand how to represent and compare whole numbers, the relative positions and magnitude of whole numbers, and relationships within the numeration system. The student is expected to:

(B) read, write, and represent whole numbers from 0 to at least 20 with and without objects or pictures

What does it mean?

A kindergarten student should be able to

-
