2025-2026 Innovative Course Application Renewal

Course Data – Renewals

Data or other evidence that demonstrates evidence of the continued successful implementation of the course. Data and descriptive information should be provided below.

Data or other evidence that demonstrates successful piloting of the entire course. Data and descriptive information should be provided below. Only comment on the course. Do not comment on programs, pathways, or marketed material.

Cited evidence should include statewide course enrollment numbers and student outcomes for at least one local education agency (LEA) implemented course. Enrollment data for existing courses up for renewal can be found on [TEA's website](#) [(en)-4 (t)2.7-0.2

2025-2026 Innovative Course Application Renewal

Essential Knowledge and Skills for the Course:

NOTE: CTE course applications must address professional standards/employability skills as required by business and industry. The first knowledge statement (KS) for ethnic studies course applications must include content in history, government, economics, civic engagement, culture, and science and technology.

Knowledge and skills that duplicate the content of a TEKS-based course or can reasonably be taught within an existing TEKS-based course will not be approved.

Applicants may wish to use the styles [“Section u(6 (d 0 Tw 0.001 T (-3.4 s)-.8 a9.322 (-3.4 y-4.89.0 h)-0.6 (u)-0

2025-2026 Innovative Course Application Renewal

Recommendations for proposed innovative course

Recommended resources, technology, and instructional materials to be used:

List five to ten. The recommended resources, technology, and instructional materials should:

- be currently available to the general public, accessible, and helpful for students to learn the proposed content;
- provide a variety of sources to include media beyond textbooks, such as industry manuals, periodicals, and online sources;
- integrate the use and/or application of technology.

Resources should not exclusively include marketed materials. General or generic resources may be listed in bullet form. If the resource is published, a full bibliographic citation using [Chicago Manual of Style, 17th Edition](#) is required.

Please note that all listed resources must be submitted with the application to make them available for State Board of Education (SBOE) review. Guest access to any online course and learning management system content must be provided. If any resources are required for the course, please include the cost.

Access to electronic materials

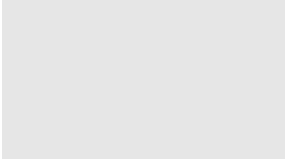

Directions for electronic access of recommended resources, including credentials, must be emailed with the application submission by Friday, September 13, 2024.

Digital materials (Soft copy)

Please send digital copies of recommended resources to Innovative.Courses@tea.texas.gov by Friday, September 13, 2024.

Print materials (Hard copy)

For materials that exist in hard copy, please use the following address for submission. Please ensure any shipments can be received by TEA no later than Friday, September 13, 2024. Please also alert TEA if you have shipped any materials and the shipping address so
