

Dear Parent/Guardian,

We hope this message finds you well. We are excited to share with you the positive news that your 5th grader has been selected to participate in our Advanced Math Program. This program has been carefully designed to provide your student with a challenging and rigorous curriculum aligned with your student's demonstrated ability in mathematics, ensuring they are well prepared for future academic success.

Why Math Matters:

associate

degree, or

degree.

Credit in High School Students who engage in college aligned courses (as Dual Advanced Placement (AP), OnRamps) and/or complete a Career and Technical (CTE) program of study during high school are twice as likely to earn a credential, or bachelor's degree.

and Access and Wages Completing Algebra I in 8th grade has been linked to higher postsecondary credential completion and increased wages in the workplace.

Math Pathway Overview:

6th	7th	8th	9th	10th	11th	12th
Math 6/7	Math 7/8	Algebra 1	Advanced Geometry	Advanced Algebra II PreAP Algebra II OnRamps College Algebra	Pre-Calc, DC, OR, or AP Stats	high school. ing a

If you have any questions or concerns, please feel free to reach out to us. We look forward to partnering with you to ensure a bright and successful academic journey for your student.

If you prefer that your student not participate in this program, please let us know by filling out the attached optout form and contacting your school counselor <INSERT NAME AND CONTACT INFORMATION> by <INSERT DATE>.

Sincerely

[Your School Name]
