local educator pipeline and make progress on sustainability. This may include the use of other local, state, a resources. Consider also how the Grow Your Own program may be integrated into, be supported by, and p	

Brazosport ISD has reallocated budget-neutral funding to support the implementation of the apprenticeship program in the sum of \$425,000. As the Apprenticeship Program is developed, we will continue to evaluate the cost and sustainability of taking the developed model to scale the level of effort to meet the hiring needs of the district. Based on data collected, we will determine the number of Apprentices we can hire utilizing vacancies and match needs for substitute teachers; which minimizes the cost of accepting Apprentices into the program. In addition to the allocated funding, we will collect

data and dotorming local budgeted dellars that can be buggeted to create budget no utral important

for existing LEA or EPP initiatives and/or priorities.
