

1. **Why is there going to be an accountability manual if all districts and campuses are *Not Rated: Declared State of Disaster* for 2021? Will appendices be published this year?**

The *2021 Accountability Manual* will describe the methodology used to calculate the data shown on accountability reports. The manual appendices will be released in late spring.

2. **Which accountability system components will and will not be calculated for 2021?**

The [2021 Academic Accountability System Overview](#) briefly describes updates to the 2021 accountability system.

3. **What exactly will accountability reports show for 2021? Will districts and campuses receive domain and overall scaled scores?**

Districts and campuses will *not*

11. What changes did TEA request via the amendment and addendum? What happens if these requests are denied?

TEA requested the following one-year adjustments for 2021 accountability determinations through an addendum:

- To delay the implementation of the [accelerated testers requirement](#) by one year.

- To report only reading and mathematics STAAR participation rates for districts and campuses.

- To process the Closing the Gaps domain without the Academic Growth component due to the lack of sufficient growth data.

- To delay the identification of the next cohort of comprehensive support and improvement (CSI), targeted support and improvement (TSI), and additional targeted support (ATS) campuses by one year. This request would also postpone the escalation of three
