

Appendix Jv Industry-Based Certifications Used in 2023 Accountability

The following industry-based certifications (IBCs) were valid for 2021-22 annual graduates.

The IBCs listed with a Yes are [^]sunsetting IBCs. X

- x IBCs are reviewed on a regular cycle. Sunsetting IBCs are those that no longer meet established criteria.
- x Six evaluation criteria established in 19 TAC §74.1003 were developed to meet requirements in TEC §39.053, that the commissioner adopt a set of indicators, improving student preparedness for success in entering the workforce, the military, or postsecondary education
- x Sunsetting IBCs will be capped until they are phased out. This cap is applied within Student Achievement and School Progress, PAR Relative Performance domains.
- x More information on IBCs is available here: <https://tea.texas.gov/academics/college-career-and-military-prep/career-and-technical-education/ibclistfaq.pdf>

Please see Chapter 2 for further information on College, Career, and Military Readiness.
