Food Pantry Food Safety Recommendations

Site Inspection and Checklist of Standards & Readiness

The following items are the primary aspects that the food pantry staff will check/verify. You may use this form as your own checklist to complete. These items are important, as they pertain to the condition and readiness of your facility. Food safety, cleanliness and appearance of your facility are of utmost importance. Although these items are primary, this list/form may not include every item a staff may need to review or inspect upon his/her visit. If problems are found with the condition, cleanliness, safety or readiness of the facility, the food pantry may not be approved until conditions are met.

Dry Food Storage Area/s:

- Size & Description (general acceptability for pantry needs)
- Basic Food Safety Standards:
 - Cleanliness
 - Food stored 4-6 inches off floor
 - FIFO practiced in all areas
 - Cleaning supplies and chemicals separated from food
 - Trash receptacles – in appropriate areas, clean and with lids

Miscellaneous:

- Overall condition of the facility clean, neat and orderly
- All food storage areas under lock and key
- Sufficient lighting throughout the facility
- Pest Control procedure or contract
- Food is only distributed by designated campus staff or volunteers

Primary Contact Information will be confirmed during Site Visit:

- Name and Title of Person in Charge
- Name and Title of Alternative Person in Charge
- Two appropriate Phone Numbers (site and persons in charge)
